

SUNDAY MEN'S LADDER

2009 - 2010

Purpose: This is a fixed partner, highly competitive program. It is great preparation for team play. It is also of assistance in partner placement, should just one member of the ladder partnership be available for a team match because one may learn tips helpful in partnering for team with either of the ladder opponents. The ladder is also helpful with court assignment for team play; although the Head Pro always has placement discretion in fielding teams.
